## Details:

Group step-by-step paint classes: each class will have a theme and a fun follow-along acrylic canvas painting session. Class approximately 1.5-2 hrs long, all materials supplied.

Black Light Paint Parties: step-by-step painting with neon paints and black lights for neat glowing art. Session 1.5-2 hrs long, all materials provided

3D print painting: you choose one 3D print out of variety available and follow-along directions with acrylic paint. Session 1.5-2 hrs long, all materials supplied.

Littles Art: step-by-step painting with washable paint on paper, practicing shape and color mixing. Session 1.5 hrs long, all materials provided. Semester available.

Private Lessons for teens and adults: learn charcoal basics, common art tools, and dabble in medium of choice for one scheduled class. For Semester course, start off with charcoal basics for first 2 classes then you get to choose and explore either charcoal (continued), colored pencils, gouache/ watercolor, acrylic, pen drawing, or pastel for remainder of sessions. Semester is encouraged, 2 hrs long, materials supplied for in class use.

Teen Portfolio Development (semester class, 4 months): similar to private lessons but learn the fundamentals and start building an art portfolio. You will learn charcoal basics, common art tools, explore technique, and learn the main components needed for a successful portfolio. We will adventure with various mediums, a second semester is available. 2 hrs/class, Materials supplied for in class use.

Kid Private Lessons: Art 101(semester class, 4 months): we will use acrylic to learn color mixing, color wheel, line, shape, and form. 2 hrs/class, all materials supplied.
